

Department of Performance Studies Presents

**PIZZA** 

**PARTY** 

Undergrads, take a slice out of life with PS and join us for Pizza Study Break! Engage in insightful discussions, such as whether or not pineapple belongs on pizza, or how many slices is too many to eat in one sitting. This may sound cheesy, but take a break from your crusty homework and join us! All B.A. students welcome! Guaranteed to be a saucy time.
